From the Foreign Secretary

Dear Secretary,

Following your recent visit, one of the issues which we did not have a chance to consider was the UK/US Extradition Treaty. As you know, Congress have yet to debate and vote on ratifying the Treaty.

I would be most grateful if you could use any suitable opportunities to encourage the Senate Leadership to schedule a time for the debate and vote. As I'm sure you will agree, it is important that this issue, of interest to both our countries, be resolved as soon as possible.

Yours,

Jack
