Subject: Invitation to Pre European Council Business Breakfast: 11 December

I am emailing on behalf of [REDACTED] - head of the new EU Delivery Group in the FCO's Europe Directorate, to invite you to an informal breakfast for business contacts on 11 December, to discuss the upcoming December European Council.

This follows on from previous successful meetings before European Councils. We would be happy to provide the UK view on prospects for the December European Council, covering issues such as the signing of the Lisbon Treaty, and possible agreement on a Declaration of Globalisation and a Group of the Wise.

The meeting will be an informal breakfast session, at working level - we are very much in your hands as to where the discussion goes. Our aim is to continue a strong dialogue with key business stakeholders, through this and other events.

The breakfast meeting will be held in the India Office Council Chamber at the FCO on Tuesday 11th December. The meeting will start at 8:30am and is likely to last around an hour, depending on the discussion. It would be helpful if you could arrive by 8:15am so we can begin at 8:30am.

I would be grateful if you could let me know [REDACTED]

[REDACTED] if you can attend, by COP Thursday 6th December.

We look forward to hearing from you.
