

## **Fixed Penalty Tickets 2006 / 2007**

FCO Services operates the FCO's fleet of vehicles. The FCO Services home fleet of vehicles incurred 32 fixed penalty charges at a cost of £1,750 over the course of the financial year 2006/07.

Parking restrictions within Central London and in the streets around foreign Embassy buildings make it difficult to deliver secure or sensitive documents without putting the security of the document at risk. In these circumstances FCO Services will pay the parking fine.

All of the drivers employed by FCO Services are required to abide by the law at all times, they are held personally responsible for any speeding or other driving offences they may commit whilst on Duty.
