

Information about Toilet facilities at the Foreign and Commonwealth Office in Whitehall between 2007 to 2008

Buildings	No. of Toilets	No. of Staff
King Charles Street	195	1980
Old Admiralty Building	110	894
Lancaster House	35	30
Hanslope Park	136	1200
	476	4104

Across all buildings there are 565 Pans or Urinals. Cistern capacity is average 8 litres.

Of the 565, 120 are urinals served by 60 cisterns flushing every 25 minutes, 24/7. It is not possible to calculate water usage as the water is not separately metered and due to the different systems and water management controls within the buildings.

We do not use bars of soap in any of the buildings

King Charles Street
